"Auto eSeller is the service of choice to sell used cars on eBay... and swiftly grow dealership sales".

Richard Vared, Sales Manager

Oakland (510) 931-5740 • San Francisco (415) 992-6330 • Santa Clara (408) 916-5650 • Walnut Creek (925) 265-8520

Sell Your Inventory Quickly!

Whether you are an independent or a franchise dealer, we'll extend you a complete service to quickly sell on **eBay** your inventory of cars, SUVs, and motorcycles. In utilizing our **eSelling** service, you will capture the local and national market to get your desired price for the vehicles!

Cars are **eBay**'s Biggest Seller

Various automobiles are among the top sellers on **eBay**. In fact, the website averages 30,000 vehicle listings a day. A vehicle is sold every minute. Each vehicle averages 125 lookers and 10-12 bidders.

Our business is to help dealers sell their vehicle inventory on **eBay**, including: used, vintage, and classics. Our low overhead allows us to pass the savings to both the retail buyer and the dealer.

Dealers who would like to augment their existing sales force or would like to outsource their Internet sales through an **eBay** auction venture, should contact us to create a business arrangement that would be just right for their organization!

Are you selling on **eBay**?

If not, contact us and we will help you make it work and get a head start on the competition. We are providing services to other dealerships and invite you to join in the success that our clients are already enjoying.

Auto eSeller is an independent auto dealership, fully insured, bonded, and licensed by the California Department of Motor Vehicles. We are serious about our Internet Sales business with the goal of delivering 100% customer satisfaction.
